Good news — we've made two changes to help simplify how overdraft fees work.

We'll no longer charge:

1. Returned Item Fees when items are declined or returned unpaid because you don't have a sufficient balance in your account.
2. Insufficient Funds Fees when your account balance is overdrawn by \$50 or less at the end of the business day. If you overdraw your account by more than that, we'll charge a \$34 Insufficient Funds Fee per item, beginning with the first item that overdraws your account balance by more than \$50 (maximum of 6 fees per business day, up to \$204).

We pay overdrafts at our discretion so we don't guarantee that we will always pay any type of transaction. As a reminder, overdraft services are only available for qualifying checking accounts. For additional information, please visit chase.com/overdraft.
